

## How to do for EXCEL/CSV ORDER

- Make your order in EXCEL:

**ITEMCODE; COLORCODE; SIZE; QUANTITY**

Do not write the column name in the first row.

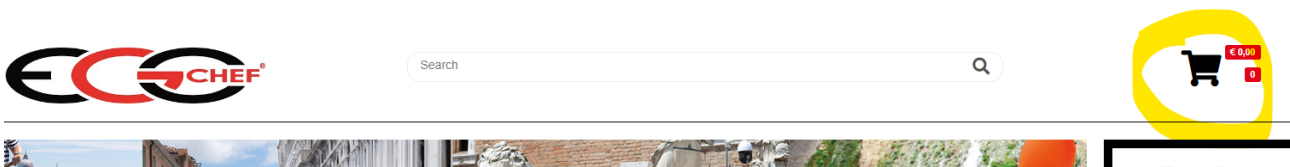

You can write uppercase or lowercase.

If the item doesn't have the size leave the box empty.

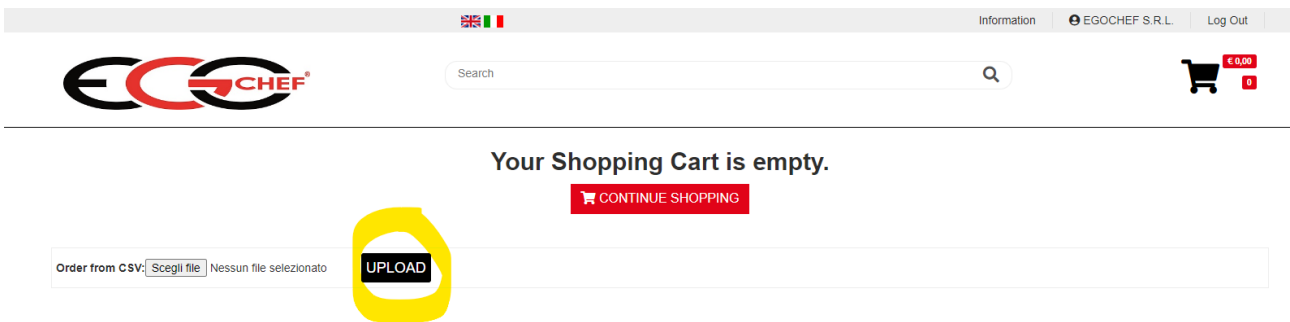

Items in multipacks are rounded to the next unit if lower.

Save the file with the following extension: CVS (DELIMITED BY LIST SEPARATOR)(\* .cvs)

- To load the order log in and click on shopping cart

- Select you order and UPLOAD it

### Correct file:

2064	001E	S	1
